## Annual Meeting

**W**hat an amazing Annual Meeting we had on October 24th. We were honored to have so many great guests, including:

**Councilman Paul Koretz** – The councilman and his field deputy Jeff Ebenstein took time out of their busy schedule to let us know that neighborhood associations will be part of the city process, including input in the new General Manager of LADWP. Already his office has been instrumental in the removal of those dangerous metal pipes across from the development of 1510/1516 N. Beverly Glen. The councilman himself has stepped up in city hall by stopping the approval of an appeal fee ordinance that would have increased the appeal fee for residents from under \$100 to over several thousand! ROBG has spent a lot of time with the councilman's office and we hope to continue this open dialogue and partnership to better our community.

**Captain Jaime Brown, Station 71** – Captain Brown and the hard working firefighters stopped by to remind us about brush clearance and red flag days. We live in a very high fire severity zone, which means any little fire can be a big one very quickly. Register your information on [www.lafd.org](http://www.lafd.org) or check regularly for updates.

**Senior Lead Officer Chris Ragsdale** – Officer Ragsdale let us know that crime in our area is slightly up, the usual burglary, home theft etc. However, overall we are generally much lower than many parts of the city, thanks to LAPD. But please make sure to stay aware of theft from cars, if they can see it, they can steal it.

**Sergeant Brown** – Sergeant Brown from West LA Traffic gave us some statistics about accidents in our area, details can be found in the Glenite Traffic section. He also reviewed the Speedwatch program LAPD is doing with neighborhoods. If you ever complained about speeding on the Glen, you should volunteer, email Evelyn at [traffic@beverlyglen.org](mailto:traffic@beverlyglen.org).

We also successfully voted in our 2010 Board of Directors. Some are new, some are familiar, all work very hard to make our community a better place.

Yet we still have vacant positions and that affects what we can do for the community. Whatever time you can lend us, it's more than what we have now and will help us make this a better community. So please contact us and volunteer!

Special thanks to the following for all the hard work at the Annual Meeting:

**Audra Vaisbort** – As social chair and her first social event, what an amazing event, lots of hard work and everyone really enjoyed it. Thank you Audra!

**Elke Heitmeyer** (cleaning up and getting the councilman), **Barbara & David Rappoport** (setting up), **Dobbie Heimer**

## A Note from the President

The good, the bad and the dedicated, that sums up our year here in the Glen.

The economy was horrible, some homes have been foreclosed, construction sites abandoned and we almost didn't have a Fair! But in the end, this amazing community pulled together, renewed memberships, came out to events, volunteered for events and we continued our traditions and even tried some new things.

None of it happens without the dedicated people listed to the right. Some do a lot, some do what they can, but all do something, and this means you need to do the same. Residents of Beverly Glen is a very active organization but can do so much more to better our community. I ask all of you reading this to reach out and consider being on the Board or just putting your name in as a volunteer for small or large tasks.

I started just taking on Traffic and after Dan stepped down there were big shoes to fill. I volunteered and its been incredibly rewarding, fun and educational. I enjoyed every bit of it (even the late meetings) as it's rare to be able to directly impact your immediate neighborhood, but that is what RoBG does.

Unfortunately, as many know, I have to step down at the end of this year as President. Work, family, and my new position as the RoBG delegate to the Bel Air Beverly Crest Neighborhood Council is demanding, but I also want to allow others to step in and experience the same rewarding experience.

In this, I wanted to deeply thank so many of you Board members, residents, Playgroup members, businesses for the kind words and for taking time out of your schedule to help RoBG "improve the quality of life in the Beverly Glen community" as described in our by-laws.

Thank you for allowing me to be President. I will always remember it and please, please, volunteer, come to a meeting, email me or any Board member.

If you have ever complained about traffic, zoning or just the food at the events, then you must volunteer!!

Paul Koretz and Ramin Kolahi

*Annual Meeting, continued from page 1*

(setting up and manning the sales table), Tensie & Dan Palmer & family (set up, clean up and everything in between), Elaine & Bob Grunauer (manning the membership table) and Robert Ringler (getting LAFD and LAPD to attend). Let's not forget Linda Paddor, our treasurer, for getting the bills paid.

I'm sure I missed the many who lent a hand or two, my apologies and thanks for helping out.

Last note, Holiday Party is coming up on December 5th, please mark your calendars!

**Traffic**

Beverly Glen neighbors - the Traffic Committee's goal is to calm traffic down in our community - and you can help!

Call 213-473-0222. Call it every time you see people driving at an excessive speed (over 40). Call it when you see someone run a red light at Greendale, or Crater, or Beverly Glen Place. Call it when you see an impatient driver go around people waiting at those lights. This number is the community traffic line, and a police officer who answers that line will log your call. The LAPD tracks where complaints are coming from, and your complaint will help to ensure that LAPD knows that Beverly Glen is an area of concern to many residents.

Please call to report reckless or dangerous driving in our neighborhood!

You do not have to report specific vehicles or track license plate numbers, just let them know that you have witnessed a problem and you are concerned about it.

Here are the stats Sergeant Brown provided:

1/09-10/09 - 27 collisions between Sunset and Mulholland, 14 due to excessive speed, 2 due to illegal lefts, 1 DUI, rest misc, 12 vehicle-vehicle, 8 vehicle - object, 7 vehicle - parked car, 14/27 hit & run, 6 near Mulholland and Beverly Glen, 6 near Crater and Beverly Glen.

0000-0600 hours, 3 accidents

0600-1200 hours, 7 accidents

1200-1800 hours, 8 accidents

1800-2400 hours, 8 accidents

No deaths, 5 serious, 5 bumps and bruises, rest nothing.

Please feel free to get in touch if you have ideas about how to slow people down in the Glen. Thank you for helping us make Beverly Glen safer!

Evelyn Alexander, Traffic committee chair, traffic@beverlyglen.org

**To all persons traveling on Scenario Lane:**

Please note that there is a stop sign before entering Beverly Glen Place and proceeding to the traffic signal. Please comply with this stop sign. Many vehicles traveling down Scenario do not stop nor look to their left to see if there is oncoming traffic on Beverly Glen Place, the cars, on which, have the right of way. Please all owners notify visitors and vendors of this fact and comply yourselves. If there is an accident caused by not stopping where posted, that vehicle will be responsible.

**Zoning**

Most of the project and problems regarding zoning in the Beverly Glen area have been cleared up. A short description of the status of these projects is enclosed:

1. 1510/1516 Beverly Glen - As you may have noticed the large metal pipes across the street from the development at 1510/1516 Beverly Glen were removed from the roadway. Nikki Carlin and Ramin Kolahi worked with the city agencies but ultimately Councilmember Koretz office, specifically Joan Pelico and Jeff Ebenstein were instrumental in asking the foreclosing bank to remove the road hazard.

2. 1551 Crater Lane - A new 600 sq. ft. addition at 1551 Crater Lane was checked into and found that it would be consistent with the neighborhood construction.

3. 10501 Seabury Lane - The appeal to build a house at 10501 Seabury was withdrawn. The house will not be built, for now. The neighbors complained that there was already too much congestion in this steep hillside area.

4. There is a proposal to build 11 houses on 8 acres on Sandal Lane. Hildreth Simmons (Secretary) is monitoring the project and will keep us informed.

5. Safety concerns of foreclosed partially built properties: It has come to our attention that the retaining walls on the abandoned project could be a big problem if there is a lot of rain or an earthquake. ROBG has asked Councilmember Koretz's office to ask LADBS to look into this issue. If you

know of any abandoned projects, please email me at zoning@beverlyglen.org. Don't assume someone else will do it.

Foreclosed partially built properties are a big concern not only because of safety issues but because it is detrimental to the looks of the neighborhood. These houses may not be completed for years. We need to require a completion bond for these projects and the Hillside Amendment to the Baseline Mansionization Ordinance is our chance to help write our hillside zoning laws. The ordinance expires in June 2010 so keep an eye out as ROBG will track this issue and will need residents to help organize when the time comes.

I am looking for a co-chairman. It will require that you come to the regular ROBG meetings once a month and spend some time as necessary on projects. If you have ever complained, been frustrated or just don't like irresponsible developments, this is your chance to have a real voice in this process. Please email me, Charles Buell, Zoning Chair, at zoning@beverlyglen.org.

### Good Neighbors

Our good neighbors to the north, the Bel Air Ridge people, did us all a great favor when last month, at our request, they painted out the huge gang graffiti on the wall of the catch basin on the east side of the boulevard in the 2500 block. Thanks from everyone in the Glen!

### Treasurer's Report

Hello Glen Residents,

Thanks to your contributions our balance is \$13,059 in our Interest Checking account and \$7,330 in our CD account. The Annual Meeting raised \$350 in Membership and \$48.00 in T-shirt sales. We appreciate your support! See you at the Holiday Party.

Linda Paddor

### Emergency Preparedness

Beverly Glen will be shut down, no water, no help, what do you do?!? Think its only hypothetical? That is exactly what will happen in a major earthquake, fire or other emergency. That is why you need to be prepared and we need someone to help our community get prepared.

ROBG is looking for volunteers to help lead Emergency Preparedness.

Anything a volunteer can do now is more than we are doing. If you're interested, please email Ramin Kolahi at president@beverlyglen.org. Friendly

reminder, rainy season is approaching, clear your gutters, check your hillsides and drainage. There is nothing worse than finding out you are not prepared when it's pouring outside and flooding inside.

## PROGRESS IN PROBLEM SOLVING

*From Board Member at Large, Barbara Rapoport*

Early this Autumn a letter was sent to Zeke Rippy, the new Executive Director of Playgroup, expressing the problems caused by Playgroup's parking on Beverly Glen Place and issues related to this. Signed by at least 70 members of the "Beverly Glen Place Community" – (Playgroup's use of the Place seriously impacts Selkirk, Seabury, Scenario and Dellwood also) – the letter was in response to news that Playgroup had considered buying the property next to the LDRCC. The thought of yet more cars on the Place galvanized a good number of us to voice our concerns. We had good memories of Playgroup – some dating back decades, with children and grandchildren who attended – but somehow things had come unstuck. Copies of our letter were also sent to the Presidents of ROBG and the LDRCC and the Board of Directors of Playgroup.

Although it is early days, the comments we have received to date from BGP households by and large notice a change for the good: the street is calmer, parking a little less tense, passage along the street, except for four reported instances, much easier: all in all there is a new and friendly spirit of collaboration. How gratifying this is!! Thank you, Playgroup parents, for hearing us! But most of all, thanks go to Zeke Rippy who took our complaints so seriously and devised – and is still devising – ways to ameliorate the situation. He made our point of view well known to all of Playgroup. Ablaze with orange traffic gear, he instituted and personally took charge of a drop-off system at the corner of Beverly Glen Place and Scenario, greeting the children as they left the cars. He is distributing numbered stickers which will identify the Playgroup cars. There is talk of car-pooling. Thank you Zeke for doing all this. You are the nicest person possible

to work with on problem-solving! Please carry on the good work!

## PLAYGROUP STATEMENT

*From Playgroup Director Zeke Rippy*

On behalf of Playgroup, I would like to express a sincere thank you to the many residents who shared their thoughts and concerns with me over the past Autumn. Using a combination of ideas from both the residents and Playgroup families, issues within the neighborhood seem to be improving and will hopefully continue to do so.

Shortly after the morning drop off system began in late September, all Playgroup parents were issued parking stickers to be placed on the front or rear windows of their cars (stickers were given to grandparents or care givers as well). On each sticker, and directly below the Playgroup logo, a number can be found that has been assigned to a specific family of the school. Should anyone in the area see a neighborhood concern involving a Playgroup car, feel free to contact Zeke at 310-470-0992 and the issue will be addressed as quickly as possible with the family.

With the morning drop off system seeming to run smoothly, some questions have been raised if the same could be done in the afternoon program. Due to the primary age group within the program (2 to 3 years), the school feels strongly that it isn't developmentally appropriate for children of this age to go through separation in the same way as the older children. A majority of a child's first year at Playgroup is spent separating from their parent in the most nurturing way possible. Depending on the child, this transition can take anywhere from a few weeks to six months; with the parent remaining at school until their child seems comfortable with mom or dad leaving. As the school understands what a big step this can be for a family, the process isn't one

to be rushed in any way. Fortunately, the afternoon program is much smaller than the morning (on average only 13 families) and several are Glen residents who walk their child to school.

As Playgroup parents have gained a deeper understanding and appreciation for neighborhood concerns, many have equally expressed frustration during trash pick up on Wednesdays. For the families still needing to park with their child in the morning, it has become increasingly difficult to find a space due to trash cans spread so far apart from one another. Any effort to help with this matter would be greatly appreciated.

A special thanks to Barbara Rapoport for helping to ensure the drop off system got off to a good start! Thank you, Barbara!

Playgroup is a Glen preschool, non-profit and parent cooperative, founded by Glen neighbors in the 1940's. It rents space from the Dorothy and Les River Community Center on Scenario Lane at Beverly Glen Place. Children of Glen residents receive placement priority but cannot be guaranteed immediate acceptance at any given time. Other factors include age, timing of the application, boy/girl balance and siblings in the class, and ability of the parents to commit to the responsibilities of a cooperative school. Interested parents should inquire promptly by calling (310) 470-0992.

### SUNDAY YOGA AT THE LDRCC

Dmitriy and Lilia Kazakov will present a complimentary yoga class every Sunday at 10 AM at the Dorothy & Les River Community Center. Please RSVP for attendance to dimitriy@kazakovdesign.com or lilia@kazakovdesign.com.
